### Background

- 1) Mr Trevor Roddick, Sole Director of TRFCK Pty Ltd has made application on behalf of the company (the applicant) for a liquor licence for the premises known as the Borrooloola Hotel Motel located at Lot 771 Robinson Road Borrooloola.
- 2) Section 27 of the *Liquor Act* requires the applicant to arrange for a public notice to be published providing details of the application in a newspaper or newspapers nominated by the Commission. As there is no newspaper published in Borrooloola, the application was advertised in the NT News on 17 and 19 January 2007. The advertisement was also required to be displayed on the notice boards at the Borrooloola Police Station, the Borrooloola Post Office, the Mabunji Aboriginal Resource Association, the Borrooloola Health Clinic and the Borrooloola Town Council. Finally, a green sign giving details of the application was displayed in a prominent position at the Borrooloola Hotel.
- 3) Under Section 47F(4)(d) of the *Liquor Act* (the Act), an objection must be lodged with the Director within thirty (30) days after publication of the last advertisement-namely Sunday 18 February 2007. By application of Section 28 of the *Interpretation Act* however, the last day for receipt of objections by the Director was Monday 19 February 2007.
- 4) The advertised Notice of application provided the following proposed trading details:

#### ***Proposed Trading Details for the sale of liquor are as follows:***

- *The business proposed to be conducted on the premises will be in the nature of a rural hotel with motel accommodation.*
- *Liquor may be sold for consumption on the premises between the hours of*

#### ***Lounge Bar and Garden***

*Sunday to Thursday 11:00 hours to 22:00 hours  
Friday to Saturday 11:00 hours to 23:59 hours.  
New Years Eve 11:00 hours to 02:00 hours. (the following day).  
Darwin Cup 11:00 hours to 02:00 hours. (the following day).  
Melbourne Cup 11:00 hours to 02:00 hours. (the following day).  
Full Strength Beer will NOT be sold in the Lounge Bar.*

#### ***Local Bar and Garden***

*Sunday to Saturday 11:00 hours to 22:00 hours*

*Light Beer, Mid Strength Beer and UDL cans will ONLY be sold in the Local Bar.  
Full Strength Beer will NOT be sold in the Local Bar.*

- *Liquor may be sold for consumption away from the premises between the hours of 14:30 hours and 17:30 hours, Sunday to Saturday.*

*Only **one** carton of light or mid strength beer may be sold for consumption away from the premises to any local resident per day.*

- *The concept of the premises is that of providing a social hub for locals and tourists to socialise in a quiet and relaxed atmosphere.*

- 5) The advertisement stated that the applicant was applying for a licence to allow the sale of liquor to the public both for consumption at the hotel (known as “on premises”) and as takeaway. It is not possible for the Commission to grant a takeaway licence, however, following a Moratorium on any new takeaway licences that was announced jointly by the Minister for Racing, Gaming and Licensing and the Licensing Commission on 9 June 2006. It was recently extended until the new *Liquor Act* is introduced in late 2007/early 2008.
- 6) As a result of the continued Moratorium and following consideration of the objections received, the applicant has recently withdrawn their application for a takeaway licence. The amended application now relates only to the sale of alcohol on-premises at the Hotel. Further, the applicant has provided the Commission with a detailed report on proposed methods of management at the premises and has advised that this report will be made available to interested persons upon request. Finally the applicant has advised of other changes to the original application filed. Those changes are as follows:

**a) Amended Hours of Trade**

**Lounge Bar**

Sunday 1100 to Sunday 2200  
Monday 1200 to Monday 2200  
Tuesday 1200 to Tuesday 2200  
Wednesday 1200 to Wednesday 2200  
Thursday 1200 to Thursday 2200  
Friday 1200 to Friday 2359  
Saturday 1100 to Saturday 2359

**Local Bar aka Sportsman Bar**

Sunday 1100 to Sunday 2130  
Monday 1200 to Monday 2130  
Tuesday 1200 to Tuesday 2130  
Wednesday 1200 to Wednesday 2130  
Thursday 1200 to Thursday 2130  
Friday 1200 to Friday 2200  
Saturday 1100 to Saturday 2200

**Beer Garden attached to the Local Bar**

Sunday 1100 to Sunday 2130  
Monday 1200 to Monday 2130  
Tuesday 1200 to Tuesday 2130  
Wednesday 1200 to Wednesday 2130  
Thursday 1200 to Thursday 2130  
Friday 1200 to Friday 2200  
Saturday 1100 to Saturday 2200

- b) **Restricted Heavy Beer Sales:** A change to the type of liquor that may be sold from the Lounge Bar by prohibiting the sale of VB (Heavy) and XXXX (Heavy) but allowing the sale of 'Boutique' beer.

The amended application is supported by a proposed Management Plan to promote responsible drinking. This plan includes such matters as the implementation of a card system for the first three (3) months of trade to limit the number of drinks each patron can purchase daily (ie ten (10) midstrength beers or seven (7) mixed spirits).

- 7) The recent amendments to the advertised application as outlined above have two (2) immediate consequences. They mean that the objections already received are only relevant in so far as they relate to the "on premises" part of the application. Further, both current objectors and other members of the Borrooloola Community must be given the opportunity to comment on the changes made to the advertised application. To this end, the Commission intends to require the applicant to arrange for the display in prominent places at Borrooloola<sup>1</sup> of an approved notice advising the public of the changes and allowing a further time for persons to object. Any valid written objections already received however, will be taken into account at the hearing so far as they relate to the application for a licence to sell liquor to patrons to drink at the Borrooloola Hotel.
- 8) Turning now to the validity of the objections I comment as follows:

**Objection from the Borrooloola Guesthouse:**

- a) The objection on behalf of the owners and managers of Borrooloola Guesthouse is dated 15 February 2007 and is signed by Charlie Radovic, Trish Elmy and Peter Brown of Peter Brown Refrigeration. Section 47F(3)(a)(b) of the Act entitles persons residing or working in the neighbourhood of the Borrooloola Hotel or persons owning or leasing land in that same neighbourhood to make an objection. The Guesthouse is situated opposite the Borrooloola Inn and the grounds of the objection include both amenity and public safety issues, which relate to on-premises drinking. The objection to the reopening of the Hotel is valid and requires a hearing.

**Objection from Borrooloola Health Centre (Department of Health and Community Services):**

- b) The objection was received within time on 1 February 2007 the Borrooloola Health Centre on Department of Health and Community Services (DHCS) letterhead. The Health Centre is entitled to make an objection on behalf of DHCS pursuant to Section 47F(3)(e) of the Act, the latter being an agency that performs functions relating to health. The objection was received within time and provides information relevant to an objection relating to health issues. It is a valid objection that requires a hearing.

**Objection from McArthur River Mining:**

- c) Mr Brian Hearn, General Manager, has provided a detailed objection to the application for a liquor licence for the Borrooloola Hotel and addresses concerns relating both to community amenity and health, education, public safety and social conditions within the Borrooloola Community. The application was dated 16 February 2007 and received on the same date. McArthur River Mine is located some distance from Borrooloola but it is a major employer for the area and has a close relationship with the township. For these reasons, I consider it to be a valid objector under Section 47F(3)(a) and (b) of the Act. Mr Hearn makes several pertinent comments regarding the application and the current problems within the Borrooloola Community and the surrounding district. The objection is valid and requires a hearing.

**Objection from Northern Territory Police:**

---

<sup>1</sup> Ie The notice boards at the Borrooloola Police Station, the Borrooloola Post Office, the Mabunji Aboriginal Resource Association, the Borrooloola Health Clinic and the Borrooloola Town Council.

- d) An objection was received by email from Northern Territory Police on 14 February 2007. It was prepared by Sergeant Bruce Payne, OIC Borroloola Police Station and bears his typed "signature". As it was emailed, the Commission does not require a personal signature for the objection to be considered valid. Sergeant Payne speaks on behalf of the Borroloola Police rather than solely on his own behalf. The objection is therefore accepted as an objection under 47F(3)(e) of the Act. The submission raises several concerns about the liquor licence application and places various options before the Commission. The objection is valid and requires a hearing.

**Objection by Vincent Charlie for Borroloola Community Church:**

- e) This objection was posted on 16 February 2007 but not received by the Director until 22 February 2007- three (3) days outside the objection period. Section 47F(5) of the Act states that if an objection is lodged by post, it is taken to be lodged with the Director if it is delivered to an Australia Post Office within the thirty (30) day period. On this basis, the objection of Mr Vincent Charlie is received within time. Mr Charlie has signed his objection as "the church leader" of the Borroloola Community Church (aka AIM Community Church). He states "*I am the church leader and I am talking for the rest of the people who come to our church.*" It is accepted as an objection from the Borroloola Community Church under Section 47F(3)(f) being a community based organisation or group. The objection sets out concerns of members of the church about the proposed reopening of the hotel including drunken relations who make trouble for their families. It complies with Section 47F(2)(b) in that it relates to public safety or social conditions in the community. The objection is valid and requires a hearing.

**Objection from D & G Tranter for Borroloola Community Church:**

- f) Two (2) letters of objection have been received from Denis and Glenys Tranter. The first letter was received by the Director on 15 February 2007 and appears to be written by them on behalf of the Borroloola Community Church (aka AIM Community Church) as they state they are representatives of the Church. The form and content of the letter of objection complies with the Act. As the Director has also received an objection from Mr Vincent Charlie on behalf of the same church, I intend to accept both objections as if they were one and leave it to the Church to decide who should represent its interests at the hearing. In order to confirm that this approach was appropriate, I contacted Mr Denis Tranter by phone on 23 May 2007 and he agreed that this approach would be acceptable.

**Objection from D & G Tranter personally:**

- g) Mr and Mrs Tranter have also lodged their own joint personal objection to the application. This objection letter was posted on 16 February 2007 and received by the Director on 23 February 2007. Despite the fact that it was not received until after the objection period, its postal date is the relevant date for our purposes in accordance with Section 47F(5) of the *Liquor Act* and it is therefore within time. The signed letter complies with the Act in form and content and requires a hearing.

**Pro Forma Objection from Various Residents of Borroloola:**

- h) Twenty four (24) Borroloola residents have signed identical pro forma letters of objection. They are: R T Collins, June Ellis, Miriam Charlie, G J Wright and Roy Wright, Brett Lawson, H O'Reilly, Warren Timothy, John Ellis, Glen Thompson, J A Mason, Duncan Mott, Jeanette Charlie, Gloria Friday, Lesley Nuttarl, Cath and Gordon Davis, Tom Gillett, Terri Turner, D Mawson, F Shadforth, C Loombes and K Ger. All of these letters were received by the Director on 15 February and a further identical letter signed by A M See was posted separately on 16 February 2007. Whilst a few of these residents added their own personal comments, the form and content were identical for the most part. The letter comments on the recent improvements in the town and in the level of anti social behaviour and injuries since the Hotel lost its licence. Whilst most of these letters are undated and contain no residential address, they are all signed by a

person claiming to be “A resident in Borroloola”. I initially had some unease in qualifying all of these people as valid objectors. I have however taken into account the comments made by counsel for the applicant, Mr Des Crowe who does not object to these persons having a right to be heard at the hearing should they express such an interest. Under these circumstances I consider that all of the aforementioned persons are valid objectors and are entitled to involve themselves in the hearing process.

**Letter received from Judy Cotton:**

- i) A letter has been received from Judy Cotton on 12 February 2007 which supports the Borroloola Inn having a liquor licence. Section 47F(2) of the *Liquor Act* states that for an objection to be valid, it may only be made on the grounds that the grant of the licence may or will adversely affect the amenity of the neighbourhood or the health, education, public safety or social conditions of the Borroloola Community. As Ms Cotton’s letter clearly supports the licence, it does not fit within the criteria of an objection and is dismissed. Ms Cotton’s role at the hearing might well be as a witness for the applicant but not as an objector opposing all or part of the application.

**Objection of Karina Hart:**

- j) A letter dated 1 February 2007 was received by the Director on 13 February 2007 from Ms Hart. The letter is signed by Ms Hart and contains a Borroloola address. She advises she is a “long term resident” of Borroloola and comments on seeing the deterioration of social conditions and public safety within Borroloola “*due to inappropriate management of premises and liquor sales*”. She then puts forward several suggested liquor management and licence conditions should a new licence be granted. Miss Hart’s letter is a valid objection and she is entitled to a hearing.

**87 Identical Objections Entitled “New Rules If The Hotel Reopens”:**

- k) Whilst a few contain hand-written comments, 87 objections received by the Director are for the most part identical. They were all received within time and were correctly signed by the following persons Brian Raggett, Vina McKinnon, Peter Anderson Junior, Joy McKinnon, Yvonne McKinnon, Leon Nuggett, Brian Wollogonogg, Daniel McKinnon, Susan Charlie, Roderick Koorabubba, Katrina McKinnon, Kevin Lee Mulholland, Aaron Nobel, Joshua Rory, Ivan Pluto, Angus Kidd, Colin Woody, Isobelle Nobel, Alisa Nobel, Victor Mulholland, Judy Lansen, Hughie Isaac, Samantha Pluto, Lena Lansen, Kirsty Barclay, Tammy Wiss, Warren Lunn, Daniel Richards, Estellita Riley, Cedric John, Lidsay Isaac, Derek Anderson, Warrick Warren John, Thomas Simon, Valma Timothy, C Ordon, Elaine Timothy, Carol Charlie, LS Timonthy, David Harvey, Eve Mulholland, Chloe Mulholland, Joy Seccin, Michael Isaac, Kelly Martin, Lorraine Miller, Terry Brown, Isa McDinny, Marjore, Ruth Rory, Sara Rory and Roy Berry, Joanne Miller, Louise Isaac, M Cowry, Sherilee Simon, Matthew Miller, Nicky Cole, Quamby Ellis, S Lavans, Mashall Ellis, Joselyn Ellis, Leigh Lawrence, James Dash, Robert Hammer, Gwenyth McKinnon, Larry Simon, Glendy Simon, Dixie Pluto, Sue Morgan, Clive Mawson, Faye Mulholland, PD Morson, Paul Daylight, Billy Rapsin, Lynda McDinny, Dora Dixon, Alfred Anderson, Richard Anderson, Benjamin McDinny, Noreen Raggett, M Thompson, Anita Thompson, G Lansen and M Riley.

These letters all state that the person signing is a resident of Borroloola but none have provided a specific residential or postal address. Whilst they do not specifically state that the person signing wishes to be considered an objector, the letters comment on the numerous problems in management at the Borroloola Inn in recent times and on the “big change in the community for the better” when the Inn was closed. The letter goes on to provide examples of the improvements within the community following the closure of the Borroloola Inn and to recommend various steps the Commission can take to ensure proper management of the premises if a new licence is granted. Whilst the letter does not specifically state that the grant of the licence will adversely affect the community and amenity of Borroloola, it makes this comment by implication. In summary, noting that the

applicant is not challenging their validity, I consider that these persons are valid objectors with a right to participate at the hearing.

**Letter from Department of Health and Community Services (Alcohol and Other Drugs):**

- l) A letter was received from Neil Wright, Senior Policy Advisor to the Alcohol and other Drugs Program (DHCS). The email letter is dated 13 February 2007. It does not purport to be an objection but simply a comment from the Department on the application. The Licensing Commission will take into account the comments made by Health and other stakeholders using its powers under Section 6(3) of the Act.

**Letter from CEO Borroloola Community Council:**

- m) On 12 February 2007, a letter dated 5 February was received by the Director from the Borroloola Community Council. The letter is signed by Moira Johnston as CEO of the Council and provides the views and recommendations of the Council. It is not an objection to the licence application but will be taken into account by the Commission at the hearing pursuant to its powers under Section 6(3) of the *Liquor Act* to accept such information in the public interest.
- 9) In considering on whether or not these objectors have standing, I have taken into account the comments made by Des Crowe, Solicitor for the applicant in his written response dated 12 March 2007. In that letter he states: "*Officers in Racing and Gaming have previously raised the issue of whether all submissions amount to objectors. Without conceding on the grounds of relevance, frivolity or maliciousness it may be administratively easier to allow all petitioners to have an opportunity to be heard at the hearing in Borroloola subject to the directions of the Licensing Commission constituted to convene the directions hearing.*"
- 10) All persons noted in the attached Annexure A are entitled to receive a Hearing Brief (ie the documents to be relied on at hearing) and to address the Commission at the hearing.
