

# FEE CHANGES TO TERRITORY WILDLIFE PARK & ALICE SPRINGS DESERT PARK

From the 1 July 2019, entry prices to the Territory Wildlife Park and Alice Springs Desert Park will increase following a review into the commercial operations of the Parks.

Children under 5 and NT school students on excursion will remain free.

The fee increase will bring the Parks in line with entry fees of similar zoos and wildlife parks in other jurisdictions around Australia, as well as local tourism attractions.

## Key Changes:

- Single adult entry will increase from \$32 to \$37.
- Single child entry (5-16 years) will increase from \$16 to \$18.50.
- Existing Territory Wildlife Park Territorian Pass will be honoured up to the existing expiry date after which point visitors may choose to purchase a new 12 month membership.
